

# 11TH Annual Oregon Stroke Conference

## Promoting Excellence in Stroke Care

Thursday, September 21, 2017

Welcome to the 2017 Oregon Stroke Network Conference. This educational offering is open to stroke caregivers from all disciplines and provides the opportunity to share best practices with one another and apply best stroke care in facilities of any size through the state.

This program is designed to enhance multidisciplinary stroke-specific knowledge and care of stroke patients. Content is aimed at expanding the knowledge and performance of stroke caregivers from the baseline to the expert level as care is provided to both acute and sub-acute patients.
